

Policy for memorial trees and benches in public spaces

1. Scope of the Policy

- 1.1. When loved ones die, their friends and relatives will often want to commemorate them with a lasting memorial. Often this will be in the form of a tree or bench which not only honours their memory but provides a beautiful and functional improvement to the local environment.
- 1.2. This policy sets out how we approve memorial benches and trees; who is responsible for their upkeep; and what is expected from the donor and the council.
- 1.3. The council will always endeavour to be respectful, sympathetic, and fair towards those donating trees and benches; to balance the needs of facility users; and to maintain the high quality of its open spaces.

2. What and Who is Covered by the Policy

- 2.1. The policy covers any memorial bench, tree, or other lasting item placed on Brantham Parish Council-owned or managed property and is relevant to anyone who has commissioned or is thinking of commissioning a memorial tree or bench.

3. Legal Framework

- 3.1. The planting of trees or installation of benches on land as memorials, is a private arrangement between the friends and relatives commissioning the memorial and the landowner. As such, the Parish Council can only approve memorials on Parish Council-owned or managed land. This includes;
 - Brantham Lower Playing Field
 - Merriam Close Play area
 - Gravel Pit Lane Play areaThe council may also support applications for benches placed;
 - on the public highway (permission is required from the local highways authority, Suffolk County Council)
 - on District Council-owned land, (permission is required from Babergh District Council)
- 3.2. Generally-speaking, installing trees and benches will not be subject to planning permission, restrictive covenants, or other restrictions. However, there may be cases where the Parish Council is unable to install benches for such reasons.
- 3.3. Under the Crime and Disorder Act 1998, the council must consider the effect of its decisions on crime and disorder. It may deem a location unsuitable, if it may attract antisocial behaviour.
- 3.4. When the council agrees to install a bench or tree, the council will purchase the bench or tree, and the friends and family donate a set amount to the council for the cost of the bench or tree.
- 3.5. The tree or bench is the property of the council, and the donor does not retain any right to determine its future management. The council will nevertheless endeavour to ensure it is properly insured, maintained and cared for.

4. Determining requests

- 4.1. Enquiries for a memorial bench or tree should be made by email to clerk@branthamparishcouncil.gov.uk or in writing to Brantham Parish Council, Thornfield Cottage, Windmill Road, Bradfield, CO11 2QW. The requests will be determined by the Parish Council using the advice of the Finance Committee.
- 4.2. The council will endeavour to accommodate any reasonable requests for the planting of memorial trees or installation of memorial benches on council-owned property only. Requests may not be able

to be fulfilled if the location is unsuitable due to the risk of vandalism, antisocial behaviour, over-population of trees or benches, or any other material factors.

- 4.3. Only trees and benches suitable, in-keeping to the immediate surrounds, and benches of a robust design will be used. The council will decide on the style and make of bench. The council will supply a list of suitable trees and the appropriate location as well as the cost, so that the friends or family can choose the one that meets their preference and budget. The council will decide the size of the tree according to the location it will be planted in. Any request to plant a tree that has been grown by the applicant(s) will be considered on a case-by-case basis.
- 4.4. The exact location of the tree or bench will be agreed with council staff or from the master plan and with the advice of the Brantham Recreation Ground Committee. It is the donor's responsibility to ensure that the location is well-communicated to the council and confirmed in writing, by letter or email, with an accompanying sketch if needed.
- 4.5. Where an existing bench is in poor condition, the council and donor may agree to install a memorial bench in its place, the full cost of which shall be met by the donor as detailed below.
- 4.6. Memorial benches and trees will only be considered from people that can demonstrate a close tie with the person being commemorated. The council reserves the right to refuse a memorial bench or tree should it have any grounds to believe it would be contrary to the wishes of the commemorated person's next of kin or the memorialisation cause offence to the wider community. The council reserves the right to refuse a memorial bench or tree for other reasons. The reasons will be supplied to the applicant if requested.

5. Costs

- 5.1. The cost of the tree or bench will include any plaques, delivery, and installation/planting costs (e.g. fixings, tree guard). It will not include the cost of the base for the bench, for which an additional donation as detailed below is appreciated.
- 5.2. Cost for benches vary due to the current economic climate. Please ask the Clerk or Responsible Financial Officer for current prices.
- 5.3. An additional fee of £50 will be payable at the time the request is granted to cover the costs associated with the ongoing maintenance and upkeep of memorial trees or benches. This contribution will help ensure that all memorials remain in good condition and continue to provide a respectful and well-maintained environment within the parish for years to come.
