Hi Sarah

Pleasure speaking to you yesterday; thanks for running through the details.

As discussed please find attached a quotation that I've put together based on the prelim info we discussed. This is a special bundle pricing that offers that charger, 12 months software/services and installation all for £2,995 ex VAT.

The chargers generate income; how much can be determined here:

<https://zolbev.com/roi-calculator/>

The idea being that the income pays back the investment and covers the running of it.

Also; you should be eligible for a grant, details here: <https://www.apply-workplace-chargepoint-grant.service.gov.uk/>

The grant is paid post installation, paid to your service provider and then we remunerate back to you.

Please let me know if you have any questions - happy to jump on a call.

Thanks

Oliver

We are in a position to continue to offer your council the SALC Internal Audit Service for 2026.

We thank you all for your continued use of this service. Please contact us if the council has chosen NOT to use the Internal Audit Service for 2026 so that we can update our records by emailing admin@suffolk-alc.gov.uk

We will provide you with the Letter of Engagement shortly. it is important that this is presented to the council for approval. Booking a slot for your internal audit will be available during March, we will inform you once this is live.
